Both parties acknowledge their legal capacity to enter into this agreement and, to this end,

WHEREAS

That the Governance Authority has promoted the constitution of the CitCom.AI TEF (Testing and Experimentation Facility) Data Space, in compliance with the requirements established in the Grant Agreement signed with the European Commission. This framework is based on the principles established in the UNE 0087:2025 Specification, complemented by European data sharing standards and frameworks (such as the guidelines of the Data Spaces Support Centre - DSSC, IDSA, and Gaia-X).

That the Participant has expressed their willingness to join the Data Space, meeting the pre-admission requirements and committing to observe the rules and policies established in the RuleBook and the project's Governance Framework.

That both parties wish to formalize the accession of the Participant, establishing the rights, obligations, and conditions of participation.

CLAUSES

1) First. Object

The purpose of this Agreement is to formalize the incorporation of the Participant into the CitCom.AI TEF Data Space, regulating the terms of their participation and their acceptance of the Governance Framework, the RuleBook, the Code of Conduct, and the current

compliance and transparency policies, available in the institutional repository/portal of the Data Space.

2) Second. Legal Nature

The agreement has an administrative / civil nature [select as appropriate] and is integrated into the institutional framework of the Data Space, in accordance with the provisions of the Governance Framework and applicable regulations.

3) Third. Participant's Role and Functions

The Participant joins the Data Space assuming one or more of the following assigned roles:

- [Role/Roles assigned]

The Participant assumes the functions, obligations, and responsibilities of their role as described in the RuleBook and the complementary documents approved by the Governance Authority.

4) Fourth. Rights and Obligations

The Participant commits to:

- Comply with the rules, policies, and procedures of the Data Space.
- Guarantee the veracity, quality, and traceability of the shared data.
- Respect the policies regarding access, use, and protection of personal or confidential data.
- Actively participate in the governance bodies when required to do so.
- Ethical and Safe Use of AI: Use strictly anonymized data for experimentation, strictly refrain from attempting to re-identify personal data, prevent any misuse of datasets, and apply proactive measures to avoid discriminatory biases in the training and validation of Artificial Intelligence models.

The Governance Authority commits to:

- Facilitate the Participant's access to the defined services, resources, support mechanisms, and the corresponding Testing Facilities.
- Guarantee neutrality, transparency, and fairness in the treatment of all participants.

5) Fifth. Access and Permanence Conditions

Accession shall be considered effective once this agreement is signed and the Participant is registered in the Data Space's Participant/Member Catalog, proceeding, where appropriate, to the issuance and delivery of access credentials and the activation of the corresponding enabling services.

Serious or repeated breach of the governance rules or the ethical use of AI may result in the suspension or revocation of the accession, in accordance with the procedure established in the RuleBook

6) Sixth. Confidentiality and Data Protection

The parties commit to maintaining confidentiality regarding the information they have access to under this agreement and to complying with the applicable regulations on personal data protection (GDPR and national legislation), as well as the internal security and privacy policies of the Data Space.

7) Seventh. Dispute Resolution

Any conflict arising from this agreement will be managed through the mediation and dispute resolution procedure described in the RuleBook, without prejudice to corresponding legal actions.

8) Eighth. Validity and Modification

The agreement shall enter into force on the date of its signature and shall remain valid as long as the Participant remains registered in the Data Space. Any modification must be made in writing and be approved by the Governance Authority.

9) Ninth. Acceptance

The signing of this Agreement implies full acceptance of the Governance Framework, the RuleBook, the Code of Conduct, and the governance rules of the Data Space, including its transparency, auditing, and control mechanisms.

In witness whereof, both parties sign this Agreement in duplicate and to a single effect, at the place and on the date indicated.
